Prepare to embark on an epic journey to the magical realm of El Dorado, home to the Golden One, Chief, and the ages-old dragon Chihiro. In a world of logic, it will take you all the way to the Golden One, using all of your wits and logic to make the right decision, and best of all, you'll never know what new surprises will await you next! The game contains three different worlds, each with nine levels, and more levels will be added throughout the game. There are five different themes, and you need to solve a riddle to open the doors to the El Dorado Temple. And don't forget to have fun using your Shurikens in battle! When you run into an enemy, you can choose to attack with your Shurikens and slash them down, or you can throw your Shurikens and send them flying! This game is an endless runner based on a remix of another game named Guacamelee!. This game lets you quickly cross and dodge obstacles on your way to reach the destination. Jump to another world, keep going on your way to solve the puzzles and help Chihiro. You can even customize your own levels and re-play them as many times as you want. And best of all, this game is free! Story Mode: The adventure in which you can discover the secrets of the El Dorado. It is a simple story, very easy to understand, without many difficult lines to read. You will be able to reach the top level. There are three different chapters: Chapter 1: The dragon informs the general about the ability of the bees that they can cross fire. The general agrees to help. Chapter 2: The general organizes an attack against the dragon.
