Majalah Kajian Pendidikan Indonesia is one of the national-quality universities in Indonesia. Let's use the catalog so as to be able to access the library if you are registered student at WPU. There is a library for each major division on campus, such as the Division of Architecture. If you want to access the library of the BU department, you must use access card. Hopefully, you can have a look at any source material available at the library. The library is a convenient place for students because we can use free of charge period, which is different from other student rooms like the dorm. The study hall is where the students will find learning materials that they are studying. The library also has a study hall. Besides, the library also has very nice and even interesting and delicious coffee shop. Coffee shop is a place where you can eat or drink breakfast, lunch, or dinner before you study. Furthermore, you can see the activities of students in the library. Majalah Kajian Pendidikan Indonesia is one of the national-quality universities in Indonesia.
